

Earthwatch Expedition: Doctor's Signature

A doctor's approval is required for your participation in the Earthwatch expedition sponsored by the Global Sustainability Project (GSP). Please note that the medical professional signing this Doctor's Signature Form must not be related to the patient in any way, including by marriage.

To the Doctor:

Earthwatch is an international non-profit organization that sends voluntary participants to all parts of the world to assist scientists doing field research. Your patient intends to join the project listed below.

Please review the Project Conditions, Health Information, and Emergencies in the Field sections of the Briefing document, which address the rigor of the project and any medical concerns specific to the project and the region.

Please review the information your patient has provided in the Health Declaration section of the Earthwatch Participation Form.

After discussing the project's physical demands and health risks with your patient, if you feel that your patient is fit and able to fully participate, please fill out the information and sign at the bottom of this page, within the box provided.
